

IT SOLUTIONS

Clubs for Young People registered with this programme and has recently benefited from 26 Microsoft Office 2007 licenses for a mere '£260!

The Charity Technology Trust (CTX) Programme currently offers Microsoft, Cisco & Symantec product donations to eligible UK Registered Charities and Charitable Housing Associations, via the online CTX Shop. Eligible organisations are required to pay a small Administrative Fee to cover the costs of the programme. Whilst the Administrative Fees vary, charities will still make savings of between 92-96% on typical retail prices. To see the products available visit the [CTX online shop](#)

Before you are able to access/purchase from the CTX Shop, you will need to register your organisation via an [online form](#). If your organisation is eligible, you will be sent Log In details for the CTX Shop within five working days and will then be able to place an order.

For more information on all aspects of the programme visit the Charity Technology Trust website <http://www.ctt.org/>
