

Leadership Development Programme: Phase 2 For aspiring senior leaders

Starting today the **Children's Workforce Development Council (CWDC)** will be offering an additional **150 fully funded** delegate places on the **Leadership Development Programme (LDP): Phase 2**. There will be three 2 day modules scheduled for delivery from six regional cohorts between **April and June 2010**.

The LDP is a key element of the **Young People's Workforce Leadership and Management Development Programmes**.

The programme is designed to develop leaders of the future, and is aimed at managers in third sector organisations and local authority services for young people who are ready to take the next step up.

The first LDP was oversubscribed so we confidently expect demand to be equally high this time. Particularly as this time around **multiple applications per organisation will be considered**.

Therefore if you or any of your staff are interested we suggest that you **apply immediately**.
