

# Polish Information Event

Kirklees Council Safer Stronger Communities, Community Cohesion Project Officer is organising a Polish Information Event in partnership with the Polish Parish at the Polish Church Hall, 88 Fitzwilliam Street on Sunday the 21st March 2010 from 12.30-3.00pm.

The need for this event has come from consultation with the Polish Parish and the Leader of the Council Mehboob Khan.

The event is to help address the needs of the established Polish community and new arrivals that need access to information, advice and support from a variety of statutory and voluntary agencies.

Advice on housing, various benefits, health, employment for migrant workers, education, training, insurance, tax, luncheon clubs, older people services, legal services are all required for this event.

We are seeking representatives to come and give advice on the day on all the above and we will provide a community translator.

If you can help please contact Carmen Taylor; 01924 324508 or 01484 226737.
